A CHILD'S NIGHT DREAM

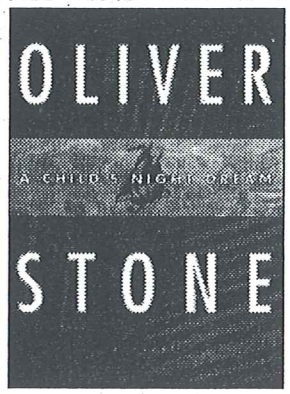
a novel

"To read this book is to re-experience the beautiful energy of youth with both its foibles and delights; Dream is a time capsule, a glimpse of a glorious talent."

—OSCAR HIJUELOS, Pulitzer Prize-winning author of *The Mambo Kings Play Songs of Love*

"Stone's writing is phenomenal. It's a young man's style and full of Finnegan's Wake, but it is good enough to be startling."
—NORMAN MAILER

"I have an idea this is a great book."
—LAWRENCE FERLINGHETTI



Some endorsement! It appears he hasn't even read it. He might be a good candidate to endorse Holland's book.

A CHILD'S NIGHT DREAM
is a searing, personal story that reflects America's own troubled course over the last four decades.
